Mr. Marino Toppan  
Committee Coordinator  
Italian Fallen Workers Memorial

Dear Marino,

I am writing to you today to convey our continued support and pride as the home of the Italian Fallen Workers Memorial.

Villa Charities is proud to have been a part of this project from the beginning. In April 2016, we were honoured to host the unveiling of this wonderful monument and provide its permanent home for future generations.

Our Lawrence-Dufferin campus, for almost 50 years, has been the heart of the GTA's Italian community. So, it is only fitting that Italians who made the ultimate sacrifice in building and developing our great nation are forever memorialized at this location.

Let me also reassure you, your donors and committee members, that the proposed construction of the new Columbus Centre will not affect the Italian Fallen Workers Memorial. The Memorial will be part of the campus forever; as a great legacy, an unbreakable link to our community's proud heritage, and a place that will draw us together now and in the future.

I look forward to a continued partnership and to help promote the great work you and your organization do to shine a light on the tremendous significance of this Memorial.

Sincerely,

Anthony DiCaita
