- **Essential Caregivers must wear a MASK and GOGGLES/SHIELD at ALL times.** In addition, all Essential Caregivers must complete a Point of Care Risk Assessment (PCRA) to identify required PPE for daily tasks. Residents are also **strongly** encouraged to wear a mask.
- Please perform hand hygiene before and after each location you enter and exit.

DO's	DON'Ts
Notify the nurse on the unit when leaving the unit.	Do not visit any areas/spaces not listed.
Enjoy movement and use of the six areas listed above, within posted limits.	Do not stroll, stand or idle in the corridors on the units or other spaces.
Return to the resident's room after 20 minutes.	Do not visit other resident care units
Be patient and respectful with one another allowing other residents and caregivers the ability to visit/use the spaces.	
Any violation or non-compliance of these safety rules may result in resident(s) being asked to return to their unit/room and essential caregiver(s) asked to leave Villa Colombo Toronto.
