

Villa Colombo Vaughan Compliance Timeline and Multi-Year Accessibility Plan (6 Year Plan)

Accessibility Statement of Commitment

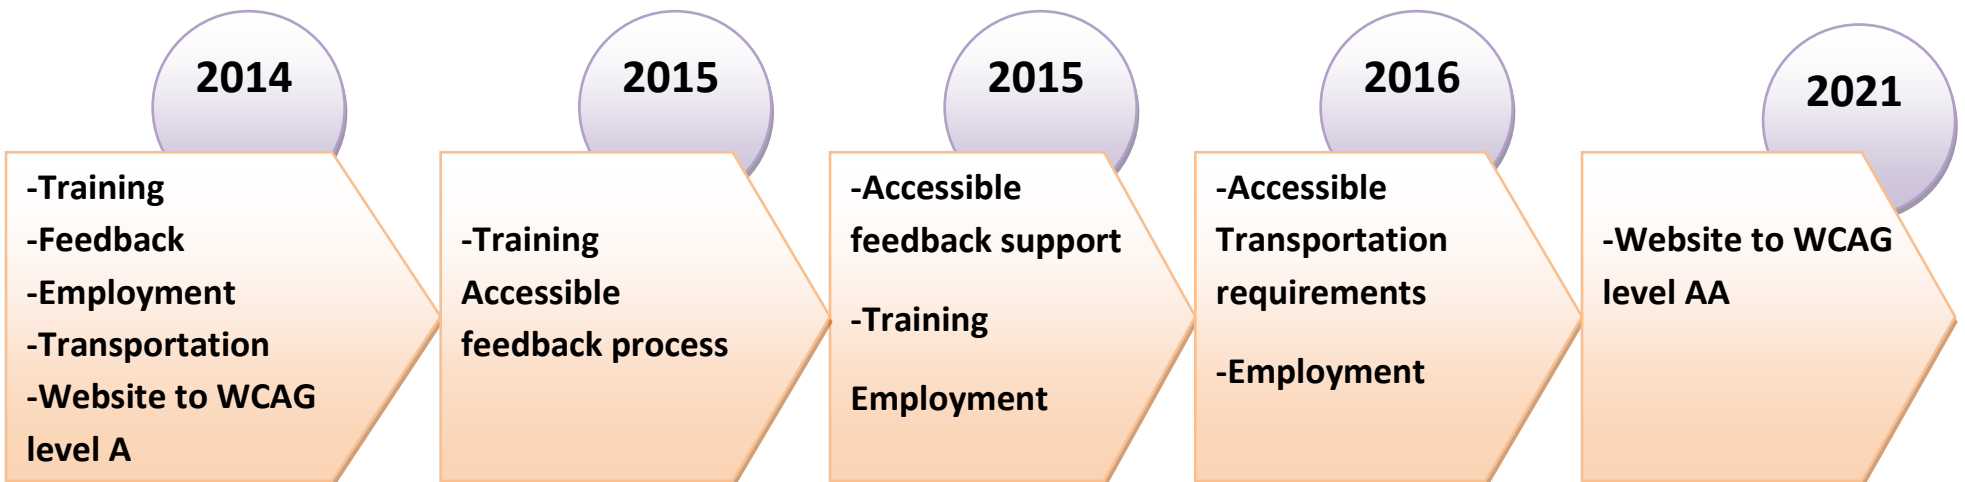

Villa Colombo Vaughan is committed to make it accessible to individuals with disabilities by compassionately caring for our residents, and staff and meeting or exceeding the standards set out in the Accessibility for Ontarians with Disabilities Act, 2005.

This commitment will be integrated wherever possible and will ensure that persons with disabilities will benefit from same services and quality available to our residents, staff, volunteers, visitors and contractors without disabilities.

Pathway to excellence in achieving the Multi-year Accessibility Plan Aim:

This multi-year Accessibility Plan is developed in accordance with the Integration Accessibility Standards Regulation under the *Accessibility for Ontarians with Disabilities Act, 2005*. It incorporates the intentions Villa Colombo Vaughan has to meet its obligations under the *Ontarians with Disabilities Act, 2001*. The Plan describes the measures that Villa Colombo Vaughan took, or will take over the six year period from 2012-2018 to identify, remove and prevent barriers to people with disabilities including staff, residents, volunteers, third party contractors, visitors. The plan will be guided by the UniversalCare - Accessibility for Ontarians with Disability Council.

Villa Colombo Vaughan is working towards meeting AODA requirements, both presently and in the future. The timeline below shows the upcoming requirements from the Province, with ultimate goal to make Ontario accessible.

Villa Colombo Vaughan Compliance Timeline and Multi-Year Accessibility Plan (6 Year Plan)

UniversalCare Accessibility for Ontarians with Disability Council with representation from each Home, corporate staff, managers, front line staff, volunteers, resident and family from owned and managed homes worked towards developing the Multi-year Accessibility Plan to meet the requirements under Integrated Accessibility Standards Regulation (IASR) and The Accessibility for Ontarians with Disabilities Act (AODA). The following table highlights the requirements and the planned actions with the respective timelines.

A “**barrier**” is anything that prevents a person with a disability from fully participating in all aspects of society because of his or her disability. A barrier can be physical or due to architectural design. Sometimes the way we communicate causes barriers, as can attitude, technology and policies. Accessibility planning helps prevent, identify and remove those barriers
