We would like to express our gratitude and appreciation for the support of our residents, families and the local community as we worked to control the spread of COVID-19 in our home. Your kind words and trust in us has been a source of inspiration.

We are grateful for dedicated group of staff and Physicians who worked diligently in providing exceptional care and services to our residents. As well, for the guidance and support that we received from York Region Public Health and Ministry of Long-term Care.
