 Villa Charities Italian Canadian Immigrant Tribute
 

Rendering by Brown + Storey Architects Inc.

Honour your family's history and legacy through the Villa Charities Italian Canadian Immigrant Tribute.

For more than a century, hundreds of thousands of Italians have chosen to make Canada their new home, to secure a better life for themselves and their families. The Italian Canadian community has now become a successful and important part of Canada's diverse multicultural identity.

The Villa Charities Italian Canadian Immigrant Tribute will be a nationally recognized destination and tribute to Italian heritage. Located at Toronto's iconic Columbus Centre on the Villa Charities campus, the installation will feature up to 5,000 plaques inscribed with the names of Italian immigrants who journeyed to Canada to begin a new life. The tribute installation on the north-facing wall will be surrounded by a bronze casted art piece, as well as a seating area.

Name plaques are available for purchase through Villa Charities Foundation. Proceeds will support programs and services offered by Villa Charities such as senior care, cultural programming, scholarships and youth services, and capital needs.

A limited quantity of plaques is available and will be sold on a first-come, first-served basis.

Personalized name plaques can include a maximum of two names. A year of immigration to Canada must be provided with each name and will appear on the plaque. Plaques will be positioned in alphabetical order by last name (by Plaque Name 1 if a double name plaque is purchased). Name plaques will be installed on the Villa Charities Italian Canadian Immigrant Tribute wall when construction begins.

Plaques are available for a \$1,000 donation. A tax receipt will be issued for the maximum allowable amount. If you would like to split the purchase of your plaque with a family member(s), please contact our sales office.

Purchasing a plaque also means you can share your immigration journey online by submitting a brief family history and up to four images, to appear on our Immigrant Map at villacharitiesimmigranttribute.com.

This repository of immigrant stories will create an engaging and creative digital space for our community to learn about each other's immigration history and shared experiences.
