

Important Update Respiratory/RSV Outbreak Declared Over January 27, 2023

Dear Residents, Families and Staff,

We received a notice from York Region Public Health that the Respiratory outbreak at our home has been declared over as of January 27, 2023

We would like to express our gratitude and appreciation for the support of our residents, families, and the local community as we worked to control the spread of the virus in our home. Your kind words and trust in us has been a source of inspiration.

We are grateful for dedicated group of Staff and Physicians who worked diligently in providing exceptional care and services to our residents.

We are grateful for the guidance and support we received from York Region Public Health, Ministry of Long-Term Care, Mackenzie Health Hospital and Ministry of Labour; we have all benefited from collaborative approach in bringing this outbreak to an end.

We can assure you that now that the outbreak is over, we are not letting our guard down. We will maintain our vigilance and strict IPAC practices promoting safety of our residents, families, staff and visitors. We will continue to be on the forefront in implementing new guidelines, directives and best practices.

We can't thank you enough for your kindness, patience and support and looking forward to resuming our pre-outbreak life and activities at Villa Colombo Vaughan.

Sincerely,

Liza Reantaso
Administrative Director of Care
