

STAR COMMITTEE PRESENTS...

JAMAICAN PATTY DAY

Thursday, February 23, 2023 from 1:00 p.m. to 2:30 p.m.

Elio's Cafe

There was a time in Toronto when Jamaican patties caused some “beef” between city food inspectors and food vendors over whether or not they could be defined as “beef patties.” Now, years later, the city celebrates Patty Day on **February 23**. While city residents are encouraged to enjoy the snack from their go-to Jamaican spot, the STAR Committee will be bringing these delicious patties and cocobread from Patties Express right here for your convenience!
